

# TREES

**Do you know how trees communicate?**

# Mycorrhizal network.

Do you know trees also have family and friends?

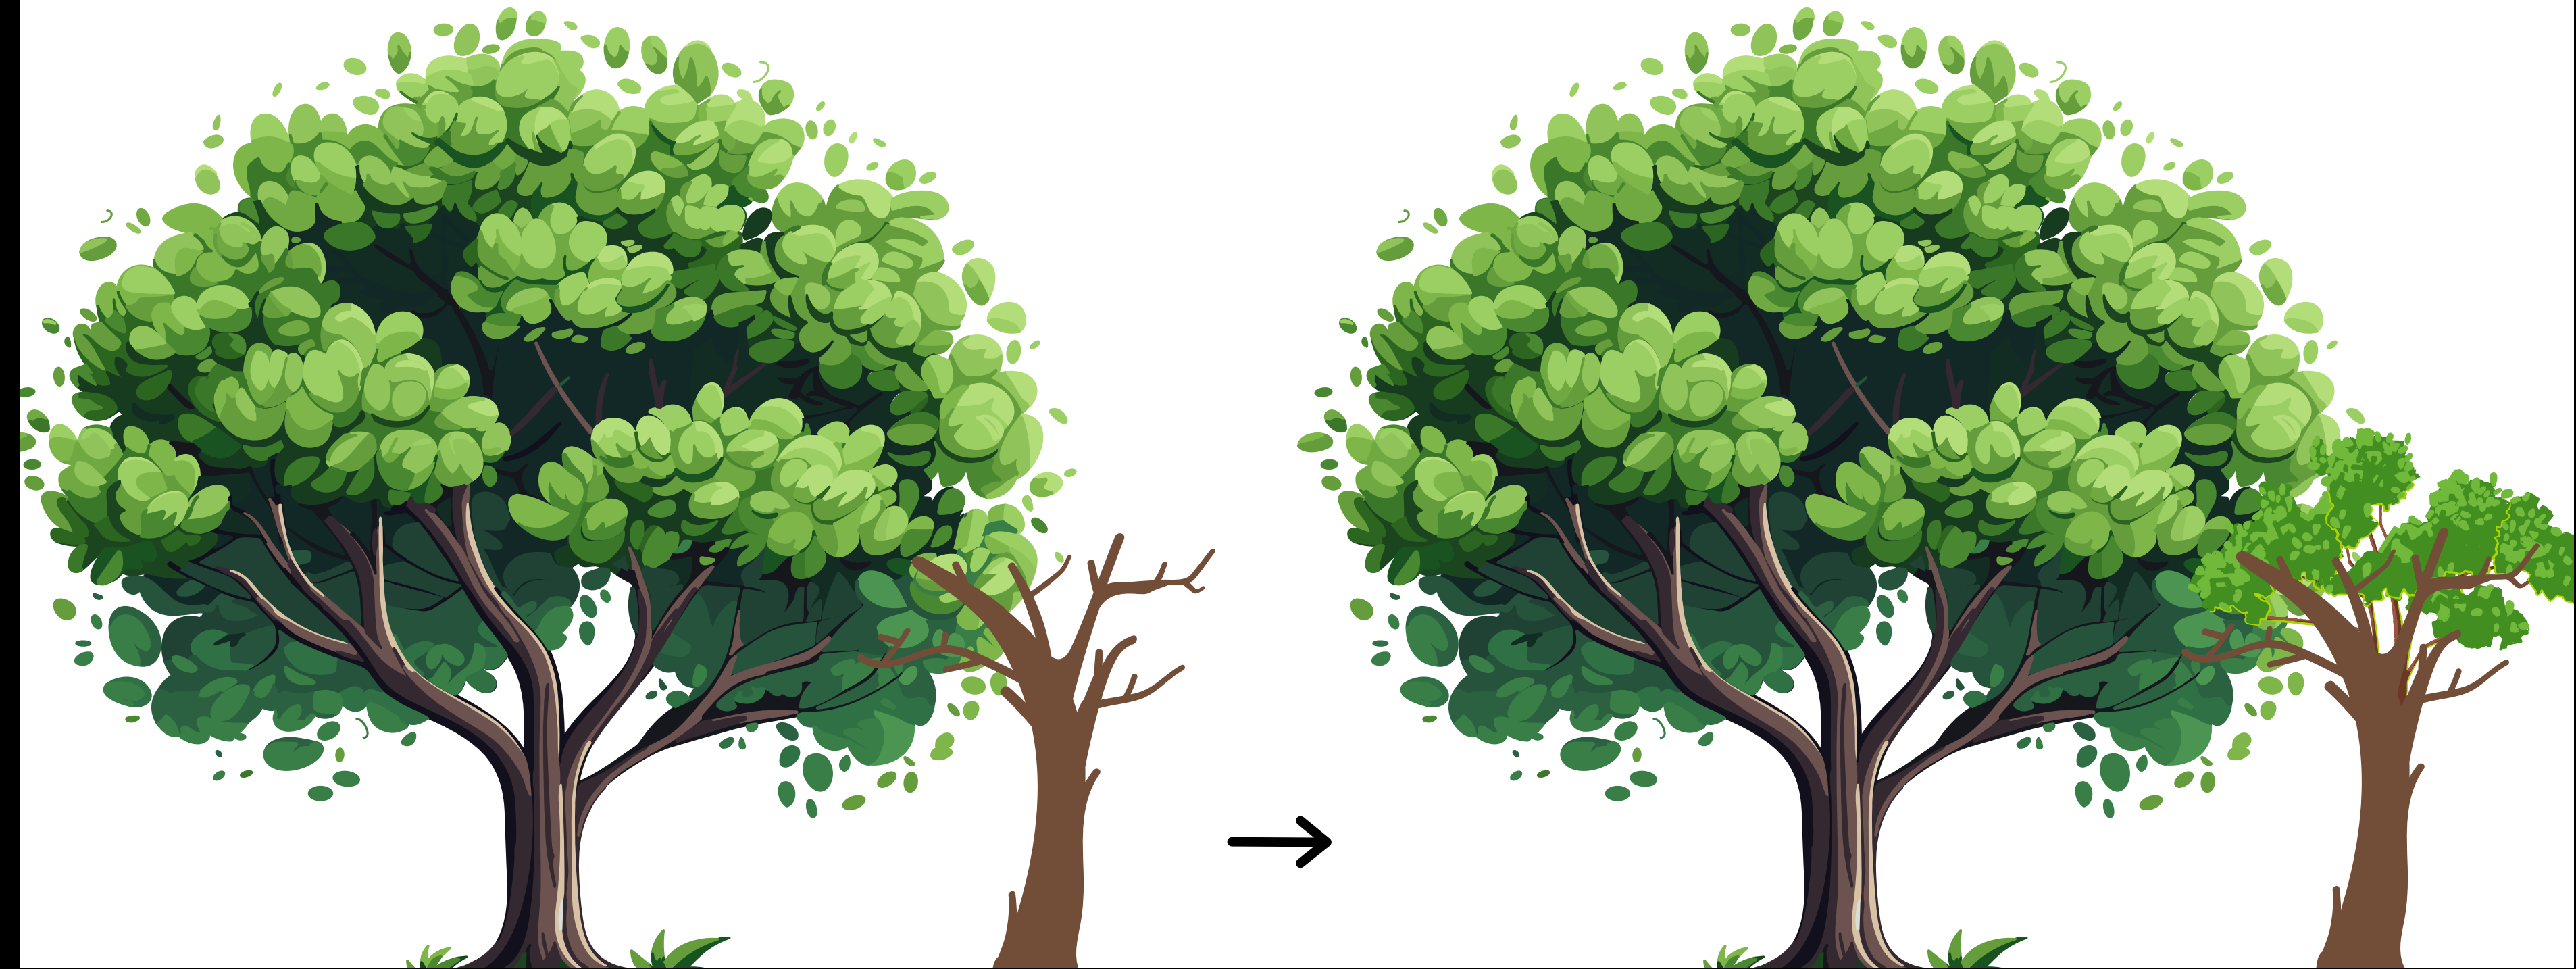

# Mother Tree

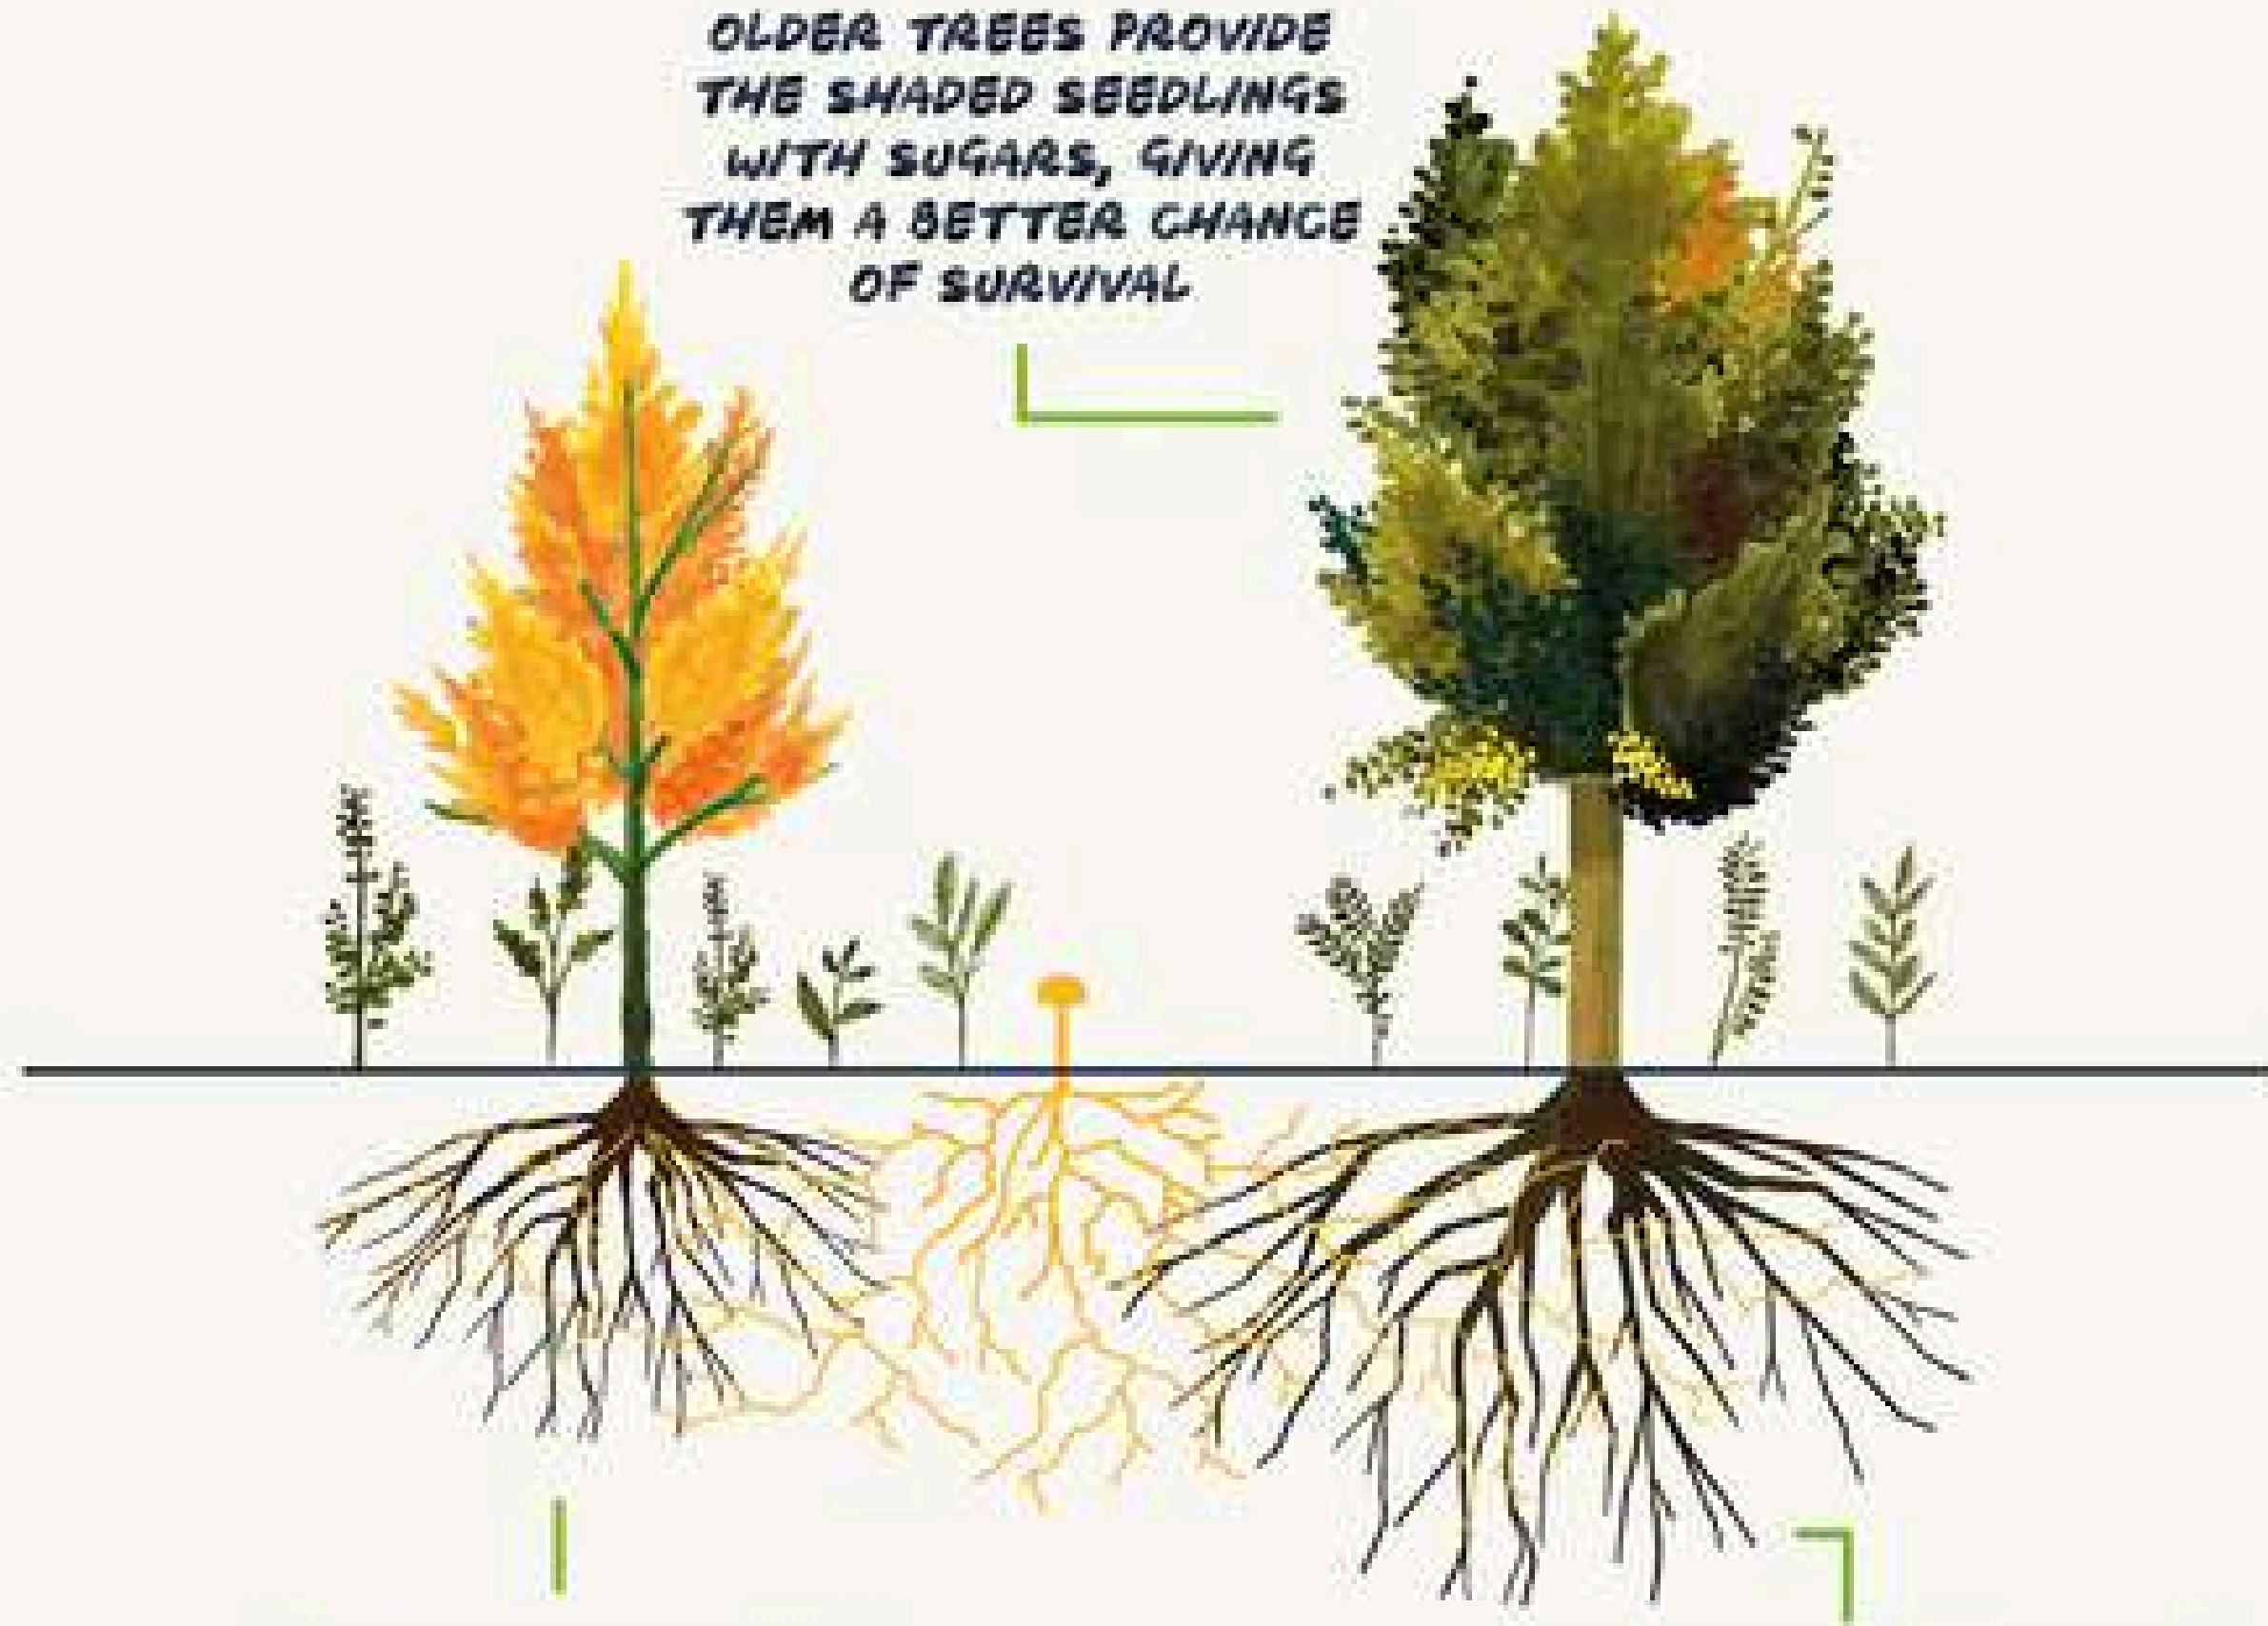

# Family and Friends

Do you know trees can also help each other like humans?

**OLDER TREES PROVIDE  
THE SHADED SEEDLINGS  
WITH SUGARS, GIVING  
THEM A BETTER CHANCE  
OF SURVIVAL**

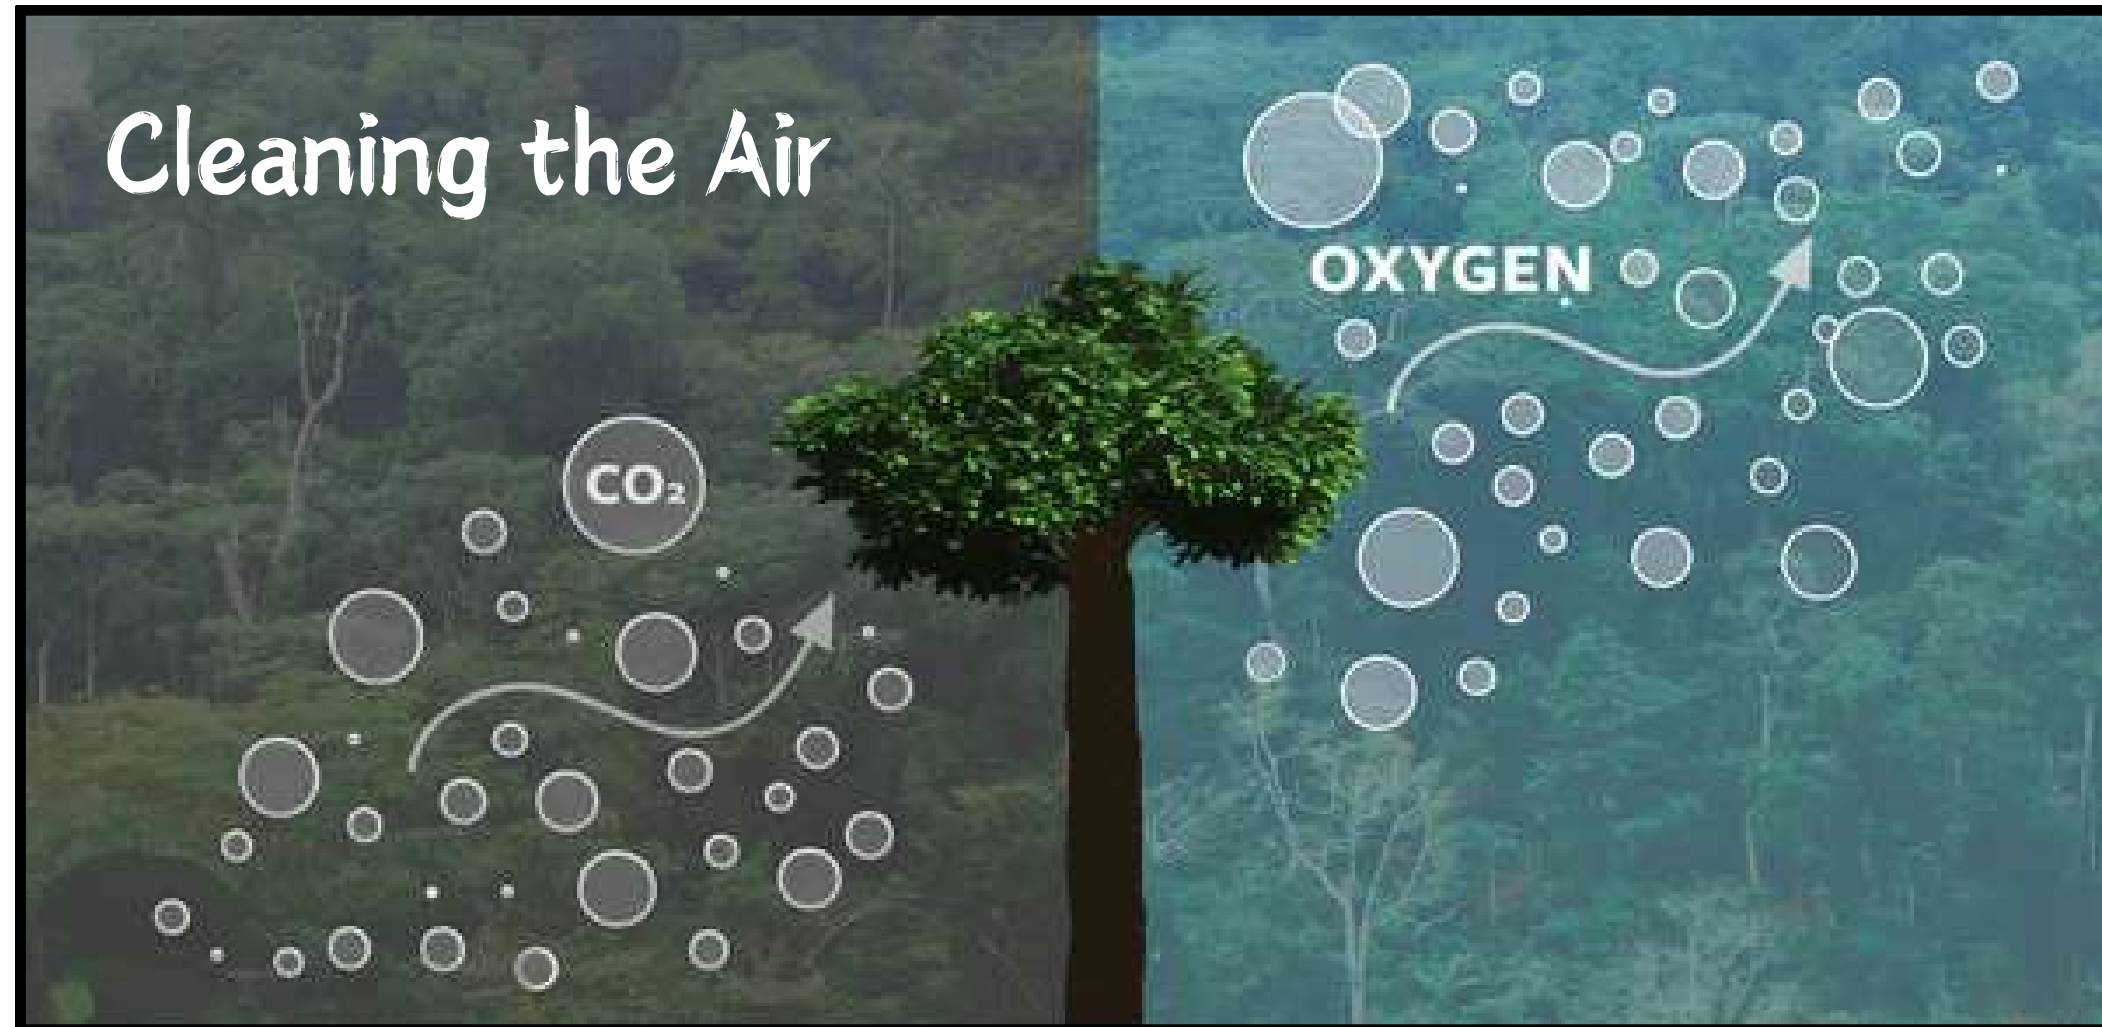

**THE SICK AND DYING  
TREES DUMP THEIR  
RESOURCES INTO  
THE NETWORK FOR  
HEALTHIER TREES.**

**THEY SEND WARNINGS TO  
ONE ANOTHER WHEN THEY  
ARE ATTACKED BY PESTS.**

**Do you know a dead tree also serves benefits like  
another tree?**
